Portfolio: <https://aerongabriel.github.io/My-Portfolio/>

Personal Information

Full Name: Aeron Gabriel A. Montalbo

Gender: Male

Birthdate: November 23, 2000

Age: 23 Years Old

Marital Status: Single

Interests: My current interest are software development, web development, software engineering, and web designing. I am also open to explore networking fields and cybersecurity fields as I am also exploring my capabilities in other fields in the Information Technology industry.

My other interests and hobbies are playing mobile games, playing an instrument (guitar), Watching anime and watching NBA games and football games.

Career Objectives

I am a fresh graduate from De La Salle University – Dasmariñas searching for a full-time programming positions like Web Development and Software Engineer. I'd like to put my academic skills and experience to good use, as well as improve my knowledge in programming while also contributing to the organization/company where I am applying. To help myself expand my skills and knowledge in programming, I am willing to learn more and collaborate with other specialist in Information Technology or Computer Science Field.

EDUCATION

De La Salle University – Dasmariñas Dasmariñas, Cavite
BS in Information Technology with Specialization in Web Development
